

# Roial

Roial srl is the European leader in disposable products in both non woven and air-laid, with more than 4000 tons of transformed raw materials per year in their 120000 sqft warehouse.

During the last sixteen year Roial srl gradually entered and consolidated its leading position in the wholesale market, the only one covered, thanks to its modern and advanced organization, state of the art machinery, together with a deeply motivated and highly trained staff.

Today Roial srl covers five different lines: Catering, Beauty, Hair, Industrial, and Hygiene. In these fields it represents the best in efficiency and convenience thanks to its modern and hi-tech production lines and the use of the top quality raw materials in order to satisfy all kind of professional needs. The no stop research for technological innovation gives Roial srl the opportunity to offer always the best of disposable items at the most competitive market conditions.

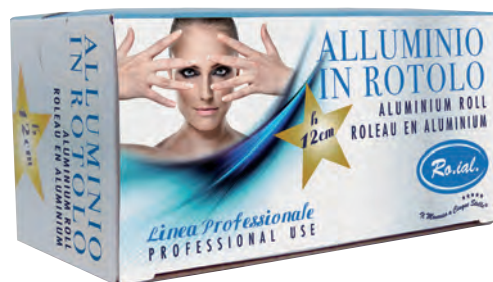

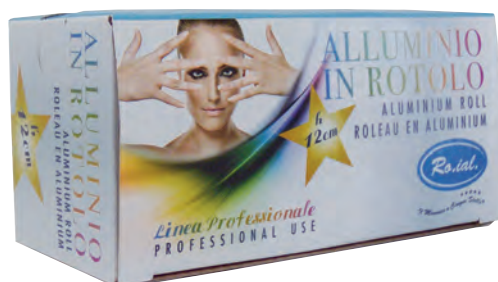

## HAIRDRESSER

### ACC 706 ALUMINIUM FOIL IN ROLL FOR HIGHLIGHTS

The foil weight is 400 gr, so the roll is approximately 100 metres long, 12 cms wide and 15 micron thick. This foil is perfect because it is resistant enough for a smooth application; instead thicker foils can be too hard for the brush to pass smoothly and for the hand to wrap it quickly. Thinner foils can be less resistant to the application and cannot guarantee a foil breakage and so a tint leak.

### ACC 707 COLOURED ALUMINIUM FOIL IN ROLL FOR HIGHLIGHTS

The foil weight is 400 gr, so the roll is approximately 100 metres long, 12 cms wide and 15 micron thick. This foil is perfect because it is resistant enough for a smooth application; instead thicker foils can be too hard for the brush to pass smoothly and for the hand to wrap it quickly. Thinner foils can be less resistant to the application and cannot guarantee a foil breakage and so a tint leak. Because the foil is coloured (colours available are red, green, blue and gold) it can help the hairdresser when performing multiple colour highlights on a single head.

### ACC 689 UNFOLDED DISPOSABLE CAPE IN POLYTHYLENE WHITE (30 PCS)
